

Are you ready to take matters into your own hand and keep our cloud services secure?

Beyond Now is an international leading ecosystem orchestration and digital platform provider, powering organizations to launch new services at speed and grow revenue in an era of cloud, IoT, AI and 5G by utilizing our digital platform and SaaS BSS. We're building our team with the best people, and that's where you come in.

Cloud Security Expert (m/f/x)

Premstätten | Full-time or Part-time (min. 30h/week) | Immediate Start

What you'll be doing:

- You will have end-to-end responsibility for the security of our Cloud services
- You will continuously assess, document and improve the security of our cloud-based SaaS solution
- You will prepare external security audits and roll out measures to fix findings
- You will work in a highly motivated team of technology enthusiasts who embrace innovation and change
- You will share your knowledge within the team

What you bring to the role:

- Completed IT education (HTL, Uni/FH)
- 3+ experience in the field of application/network/cloud security
- At least basic knowledge in cloud architectures/technologies (AWS, Google Cloud, MS Azure)
- You have a confident appearance, excellent communication/presentation skills in English (verbal and written); German would be an asset.
- You can sit in the Driver's seat as you have a hands-on mentality but you're also willing to take over detailed operational tasks as well as the ability to jump at the meta level
- As you are a fast learner and convincing team player, you are ambitious to drive innovation and contribute ideas
- With your hands-on mentality, you can take over operational tasks as well if necessary
- You can do the balancing act between details and metalevels.
- Your working style is structured; documentation works smart (not hard) in your hands
- You have a flexible mindset, with a good sense of analytical thinking

What's in it for you:
